RE: COUNTY OF WELLINGTON
RECONSTRUCTION OF WELLINGTON ROAD 46
(BROCK ROAD)
HWY 401 TO 400m NORTH OF MCLEAN ROAD
OUR FILE: M6386D

Dear Ms. Landry:

We are writing on behalf of the County of Wellington with respect to the reconstruction project on Wellington Road 46 (Brock Road) from the Highway 401 interchange to 400 m north of McLean Road. The Contractor (Regional Water and Sewer) is installing the storm sewer mains this fall, with the road work to be undertaken next spring.

Due to heavy traffic volumes and some difficult sewer installation locations, the Contractor has proposed night work at two locations. Firstly, to install a deep sewer crossing near the Tim Hortons. This work will be undertaken the night of Tuesday, October 20th from 8:00 pm to 6:00 am. During this time the southbound lanes of Brock Road will be closed with appropriate signage.

The second closure is proposed for the night of October 27 to install sewers in the intersection of Brock Road and McLean Road. Traffic will be maintained on Brock Road, but the west leg of McLean Road will be closed from 8:00 pm to 6:00 am. Signage will be installed to direct traffic to WR 34. We will also deliver notices to the affected adjacent businesses.

The County will be notifying emergency services of the closures.

We trust that this is satisfactory. Should you have any questions, please do not hesitate to contact the undersigned.

Yours very truly,

TRITON ENGINEERING SERVICES LIMITED
